Oracle Cloud Free Tier ✓

Build, test, and deploy applications on Oracle Cloud—for free.

 [Start for free](#) [Sign in to Oracle Cloud](#)

Here is how Oracle Cloud Free Tier works

1

Start with a **US\$300 cloud credit.***
You'll have 30 days to use it to test your applications on all OCI services, in addition to Always Free Services in your Free Tier account.

2 ✓

At any time during or after the 30-day period,* switch to a **Pay As You Go** account. Pay only for services that exceed the monthly free amounts from Always Free Services.

3 ✓

If you do nothing after 30 days, you'll continue to get Always Free Services in your Free Tier account.

Oracle Cloud Free Tier

Explore Free Tier with a new OCI Account

- AI and Machine Learning
- Database including:
Autonomous Database
MySQL and HeatWave
- Developer Services:
APEX and Java
